

**Club Mac of Monterey
Executive Board Notes
13 March 2009**

Board Members Present: Ken, Ron, Jerry, Bruce, Jack and Dick

Attendance: 29, including 4 guests and 4 new members

Tonight's Program: Hillary Bennett made a presentation on Skype and iChat.

Comment: It was a typical well-done presentation by Hillary. Lots of Q&A and audience participation. She always brings a lot to her subject and draws good attendance. She is willing to do another program on Social Networking in June or July

Financial Report was been distributed to Board today by Jerry Gifford by e-mail.

Board discussion included:

April program is all set on Genealogy. Speaker will be Gary Carlsen from FHS. He is a PC guy but his topic will be on Genealogical resources. We can have a later program that is specific to use of Mac Genealogy programs

Future Programs:

May—Demos of equipment for conversion of cassettes and vinyl to CD's and VHS tapes to DVD's. Presentations will be made by Jerry Gifford, Bruce Belknap and Dick Crowell

June— Basic iMovie 101, by Dick Crowell

July— ?? Social Networking, by Hillary Bennett

Dick to get possible future topic suggestions from his Tech Assistance person, Braeden Burns

Adjournment: 10:15 PM
